MEMBERS FIRST CREDIT UNION OF FL IS PAYING IT FORWARD BY REIMBURSING TEACHERS FOR CLASSROOM SUPPLY PURCHASES BEGINNING AUGUST 5

Pensacola, FL – For a limited time, Members First Credit Union of Florida is reimbursing teachers up to \$100 for money spent on classroom supply purchases this year. Members First wants to help teachers offset the cost of the school supplies they purchase for their classrooms in August.

“Teachers make a big difference in their students’ lives every day, especially by providing classroom supplies with money straight out of their pockets,” said Caryl Greene, CEO and President of Members First Credit Union of FL. “We established the Classroom Supply Reimbursement Giveaway to support teachers and help them thrive.”

During the Giveaway Period, a Qualified Teacher may submit an official Reimbursement Request Form which is available at www.membersfirstfl.org to request reimbursement for school supplies up to a maximum of \$100. The money will be deposited into Qualified Teachers Members First Savings Account. A “Qualified Teacher” for purposes of the Giveaway includes an individual employed full-time as a teacher at a pre-school, elementary, middle, or high school in Escambia and Santa Rosa County.
