PRESS RELEASE

The Northwest Florida Chapter of the League of Southeastern Credit Unions Charity Golf Tournament Donates Over \$47,000 through Credit Unions for Kids

Proceeds Benefit Children's Miracle Network.

Pensacola FL, January 23, 2019: The Northwest Florida Chapter of the League of Southeastern Credit Unions held its 14th Annual Panhandle Golf Invitational on Friday, October 19, 2018 at Tiger Point Golf Club in Gulf Breeze. Proceeds generated from the four-person golf scramble are provided to The Studer Family Children's Hospital at Sacred Heart and have been used in the past to purchase an incubator for the NICU and other equipment needed mostly for premature births. It is wonderful sponsoring an event that does so much good for local kids!

The Northwest Florida Chapter of the League of Southeastern Credit Unions donated over \$47,000 for the Children's Miracle Network, and a check was presented to The Studer Family Children's Hospital at Sacred Heart on Thursday, January 10, 2019. The Northwest Florida Chapter is made up of the following credit unions: Eglin FCU, Members First CU of FL, Okaloosa County Teachers FCU and Pen Air FCU.

"Actively supporting Children Miracle Network Hospitals is important to credit unions, and we are very happy to be helping this great organization and the children they serve. Through the efforts and generosity of our amazing sponsors, local credit unions, donors, volunteers and a match from Co-Op Miracle Match, we have once again exceeded all expectations by raising a substantial amount of money for kids in our local area," Caryl A. Greene, President of the Chapter noted. "The remarkable success of the tournament reflects credit unions' close relationship and commitment to our local communities."
