

## USING SAMSUNG PAY®

1. Look for the following icons at checkout.

2. Swipe up from the home button. Or, select the Samsung Pay® app icon from your home screen or app tray.
3. Authorize payments by simply scanning your fingerprint or entering your PIN.
4. Lastly, hover your phone over the in-store card reader. Congratulations! You just paid!

## INSTALLING SAMSUNG PAY®

To add your Members First credit or debit card to Samsung Pay®, you will need a Samsung Galaxy Note® 5, S6®, S6 active®, S6 edge®, S6 edge+®, S7®, S7 active® or S7 edge®. Setup is simple, follow the steps below to add your Members First credit or debit card to Samsung Pay®.

1. From the Home screen, go to Apps.
2. Select Samsung Pay®.
3. Touch Add or, if this is the first payment card being added, select Add a credit card or debit card.
4. Align your card inside the camera frame to automatically detect the card number and expiration date.
5. If your device cannot detect the card information or you would like to enter the information manually, select Enter card manually.
6. Enter the remaining information and touch Next.
7. If requested, enter your billing address and touch Next.
8. Review the terms and conditions, and then select Agree to All.
9. If necessary, select a method to authenticate your identity using a one-time password (OTP).
10. Enter the OTP and touch Submit.
11. Use your finger or a stylus to enter your signature and touch Save. If you are not satisfied with your signature, select Retry and sign again.
12. Tap Done to complete the process.
13. After your card is added to Samsung Pay®, it will be verified by the payment card network (i.e., Visa®, MasterCard® or American Express®) and the card issuer (e.g., MFCU). On average, verification will take approximately 5-10 minutes. During that time, you will be unable to use your card in Samsung Pay®.

If requested, follow additional steps to verify your card. After you confirm your Members First card has been added to your mobile device(s), you are ready to use Samsung Pay®.
